Christian Havel Quintet

" 1 3 . 0 3 . "

thirteen "O" three "

Christian Havel is without doubt one of the leading Jazz guitarists of Europe. On this album he gathered four very strong colleagues for his international quintet. Jon Davis - Piano - worked with Joe Henderson, Stan Getz, Tootie Heath, Eddie Harris, Mike Stern, Phil Woods, Frank Wess, George Garzone, Victor Lewis, Bob Mintzer, and many more. Bernhard Wiesinger - T. Sax & Flute is an upcoming austrian master of the windwoods. He is the one who brought these musicians together: as organizer of the Poysdorf Jazz workshop he invited them for teaching and for a tour afterwards! Milan Nikolic - Bass - teaches at the university of Belgrade (Serbia) and worked a.o. with Dusko Gojkovic, Benny Golson, Vincent Hering, Seamus Blake, Jonathan Blake and Billy Harper! Joris Dudli - Drums - is a Swiss born drummer, who left his tracks already in USA, Denmark and Austria. Credits: Vienna Art Orchestra, Art Farmer Quintet, Benny Golson, Chico Freeman, Johnny Griffin, Benny Bailey, Jerry Bergonzi, Tom Harell, Joe Henderson, Joe Lovano, Sal Nistico and more! The recording session also features the great voice and musical skills of Lori Williams. Your ears will be pleased by a very variant row of mainly original works by the band, peppered with some nice standards. Moods from balladesque over swinging to groovy.
