## Rens Newland

### "Singles, Grooves & Memories"

feat. Scope, Ostinato & more

This is Rens Newland's exciting musical and guitar journey through time from 1974 to 2022. These are several singles he has recorded, most of them his original compositions. From collaborations with Scope (Netherlands/Germany) to OSTINATO or the Fuse Bluezz project (Vienna, Austria). There are also pure solo guitar pieces and many studio productions recorded over the years on which he has played or programmed all the instruments. With SCOPE you can hear Rik Elings on bass, Rob Franken on Fender Rhodes piano & ARP synthesizer, Henk Zomer on drums.

With „NEWLAND“ you can hear Tommy Böröcz on drums, Alee Thelfa on percussion, Harry Gansberger on keys, Heinz Jäger on bass. OSTINATO features additionally lead singer Gina Charles (later known as Gina Charito), Martin Fuss on saxophone, Bumi Fian (trumpet) and Klaus Dickbauer (alto saxophone).

With FUSE BLUEZZ you can hear Simon Springer on drums, Peter Gruber on bass & Martin Wöss on keyboards.

The musical spectrum includes pure Jazz Rock, Fusion Jazz, Latin beats, Blues Rock, hard Funk, groove ballads & more!
