"Swingtime Live"

These are the recordings of a swinging and changeful concert evening with the VIENNA CITY RAMBLERS (one of the most remarkable traditional bands of Austria), the TEDDY EHRENREICH BIG BAND (this band cultivates the songs und arrangements of the "real" Swing-era!) and INES REIGER (austrias "charming lady of swing"). Outstanding arrangements of Bill Holman, Jimmy Giuffre and Neal Hefti. Notable fact: these are the only CD-recordings of the Big Band of Teddy Ehrenreich (1936-2014).

The climax of the concert was a jamsession with members of all the groups involved:
Gershwin's "Oh, Lady Be Good".
