" pep talk "

The first and (till now) only solo album of the highly gifted saxophonist THOMAS HUBER. In general he is most of the time acting in the background (as arranger, teacher, composer, supervisor of the Jazz department of the University Vienna). Performs with a lot of ensembles (Vienna Big Band Machine, Ostinato, Richard Österreicher Band, Orchester der Vereinten Bühnen Wien, Ines Reiger - Thomas Huber - Quintett) and works lately also as conductor - i.e. the Marianne Mendt Big Band. On this recordings we hear him as soloist and bandleader on mostly own pieces and in great shape: Cool Jazz at its best, with super Band!
