By expanding the newly founded GYPSY SWINGTET with the jazz singer Patrizia Ferrara, new possibilities and dimensions opened up for bassist Joschi Schneeberger and guitarist Martin Spitzer. The 2 long-term partners in Joschi's formations and also in the Diknu Schneeberger Trio (until around 2020) build, together with newly arrived guitarist Julian Eggenhofer, a fine and delicate sound around this clear and jazzy voice!

Martin Spitzer plays the jazz guitar here, while Julian Eggenhofer takes over the classic gypsy guitar. This results in an interesting sound, as with the previous quintet and sextet albums. Here on this recordings, however, without the piano, which makes things pleasantly transparent! Beautiful, well-chosen standards and some original compositions, mostly vocal songs, but also three instrumentals, result in a delicate, well-rounded jazz experience: easy-going with some surprising uptempo highlights!
